

Many hands make light work.

It's an ambitious plan.

To build a larger greenhouse for Living Classrooms' BUGS program, so that more city kids can experience the transformative power of growing – and eating! – fresh, nutritious food. Join us, won't you? Together, we can make a difference in a lot of kids' lives.

Greenhouse Project Dinner and Auction

October 11, 2012
6:30 pm

Cost \$125, to benefit the Greenhouse Project

Cocktails and hors d'oeuvres followed by a four-course dinner, with wine and live auction.

Advance tickets required.
